

Drive Through Mission

On Saturday, December 5, West Side Lawrence held its first Drive Through Mission event to support local non-profits. We collected over 250 cans of food for a neighboring church's food bank; blankets and sleeping bags, warm hats and gloves, face masks, and travel size toiletries for those experiencing homelessness in Lawrence, and chose gifts to purchase for the Ballard Center Adopt-A-Family Christmas program. This was a successful non-contact event which also gave our volunteers the opportunity to say hello to fellow congregants and be together in mission. We were blessed with good weather and a spirit of thankfulness. Pastor Debbie Garber.
