

When You Are Missing the Falcons

Fairview Presbyterian Church is located across the road from Riley County High School whose mascot is the Falcons.

During the school year, church members prepare a lunch for students after school on game days, but they were unable to do that this year because of Covid-19.

Wanting to let students know how much they missed seeing them, the session and Presbyterian Women had a 4'x8' sign made to place in their front yard as a Christmas greeting to students, staff and the public who travel the road.

The Fairview Church is part of the Riley County Larger Parish, Rev. Gerry Sharp pastor.
